

## **REDEMPTIVE MINISTRY**

### *The Purpose*

1. A total commitment to the Lord Jesus Christ and His Kingdom;
2. An informed and sincere respect for the full authority of the Biblical Text;
3. A disposition to make visible use of the power of God (take John 14:12 seriously);
4. To impose the victory of Christ, undoing the works of Satan;
5. To make disciples and not just win souls.

### *How to Achieve it?*

1. By doing evangelism that discipled;
2. Learn by doing;
3. By giving people space to grow and work;
4. Provide the necessary instruction;
5. Emphasize missions;
6. Encourage intercession (not least, for the country and the world);
7. Through the warmth of house groups and the enthusiasm of a joint weekly meeting.
